ARGOS LINKS

ARGOS SOLUTIONS
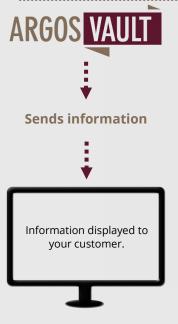

CHOSEN WEB DEVELOPER

This is NOT Argos Solutions. You need to use your own Web Developer.

WWW.YOURWEBSITE.CO.NZ

Argos provide chosen Web Developer with the Online Self Help module documentation and coding

External web-developer takes information from Argos and feeds it into 'your' website.

The way the information is displayed on your website is between you and your web-developer to decide.

ARGOS VAULT

Sends information

Information displayed to your customer.

At this stage information can just be viewed. Not edited. This is a one way feed.
